Corning Healthcare District
Board of Directors

Directors,

My name is Patricia Hunn and I was appointed to the Corning Healthcare District's Board of Directors in July of 2020. On April 5, 2022, I submitted my resignation from the Board due to my relocation outside of the district. As my circumstances have changed and I am returning to Corning permanently, I would like to withdraw my resignation.

Please consider my request for reinstatement to the Board of the Corning Healthcare District.

Sincerely,

Patricia Hunn
